Property description

Emperium 2 complex is an epitome of luxury and modern living located in the serene town of Sveti Vlas. Nestled in a unique corner that harmonizes mountain air, a favorable sea climate, beautiful natural landscapes, and beaches adjoining a forest, Emperium 2 offers an unparalleled living experience.

Emperium 2 complex boasts a striking modern architectural design, promising an impressive

panoramic view that stretches across Sunny Beach and the historic old town of Nessebar. Each building within the complex is designed to provide residents with spectacular vistas and a serene living environment.

Situated just 200 meters from the seashore, Emperium 2 offers the perfect balance of proximity to the beach while being located in a quiet and peaceful area. This ensures residents can enjoy the tranquility of the surroundings while still being close to essential amenities and attractions.

The complex consists of three buildings A, B, C.

Building A: This 6-floor building houses a total of 60 apartments.

Building B: The largest of the three, Building B is a 7-story structure with 111 apartments.

Building C: A 6-story building comprising 59 apartments.

Emperium 2 complex is being constructed with the highest quality materials, in line with the latest trends in modern construction. The attractive architecture is the brainchild of highly qualified designers, ensuring each apartment offers maximum functionality and comfort for its residents.

All properties in the Emperium 2 complex will be offered turnkey, with air conditioner and equipped bathrooms.

Completion of construction – December 2026.
