Property description

We offer for sale apartments in a residential building on the first line of

the sea in the city of Nessebar.
The architecture of the building has an extremely modern style with a luxurious execution of the facade and common parts, by using the highest class materials,
high-quality thermal insulation on the facades and the roof, equipment with an elevator,
suspended ceiling in the common spaces with automatic lighting.

The security of the complex will be ensured through controlled access and video surveillance.
LED lighting fixtures will be installed on the facade.

The apartments are handed over to the future owners with putty and screed, with external doors with multi-point locking, plumbing to the plug, electricity according
to the project.
At the request of the new owners, complete finishing of the apartments can be offered.

The complex consists of five floors, 33 apartments with an area of 52 to 121 sq.m., 1
5 above-ground parking spaces and 55 underground parking spaces.

The building is maintenance free!
