Property description

The complex La Mer Home enjoys an excellent location – by the river, combining peace and quiet with convenient access to infrastructure. In close proximity, you will find public transport, a supermarket, and restaurants.

La Mer Home is a residential building with a luxury finish and high-quality construction: monolithic structure, external insulation, brickwork, and plaster. The property is perfectly suited for both seasonal holidays and year-round living.

The apartments in La Mer Home are offered fully finished “turnkey”, with no maintenance fee and with the possibility of installment payment.

For everyone who wishes to purchase a home in La Mer Home, we offer an individual approach and flexible payment terms to make your dream of owning a property on the Bulgarian Black Sea coast come true.
