Property description

SORRENTO SOLE MARE

Sorrento Sole Mare is an exclusive private complex with excellent infrastructure, located just 5 minutes from the center of a luxurious town and a modern yacht port, as well as 150 steps from the coastline, which boasts charming bays and sandy beaches where the sun shines warmly for up to 300 days a year.

The complex consists of five buildings: A, B, C, D, and E. Buildings A, B, and C are completed, while buildings D and E are under construction.

We are pleased to offer you spacious studio apartments, one-bedroom, two-bedroom, and maisonettes in the buildings under construction, with the possibility of interest-free installment payments for up to one year.

Advantages of the complex:

- **Prime Location:** Top location
- **Proximity to the Sea:** 150 meters to the seashore
- **Beaches:** Two beaches with active sports entertainment, a beach bar, and a fish buffet
- **Blue Flag Award:** Part of the beach is awarded the "Blue Flag" – a quality certificate for beaches created by the European Environment Commission, consisting of 29 criteria, awarded annually based on the cleanliness of sea water and the beach
- **Urban Infrastructure:** Surrounded by excellent urban infrastructure

The complex is under year-round security, provided with all necessary maintenance personnel, and has a permanently operating reception.
